

December 2023

Dear Valued Patient:

It has been my privilege to work here at Graves-Gilbert Clinic with a group of outstanding providers. Ear, Nose, and Throat specialist, Dr. Jeffrey Wilson, is set to retire at the end of this year. Unfortunately, due to this, the Audiology department will be closing as well. My last day with the Clinic is December 31, 2023.

The continuity of your care is very important to me. The following providers are available to you here in Bowling Green, Kentucky, and the surrounding area. Please contact their office to schedule an appointment.
