Even if you can't make it out to play, you can help make futures great!
Your support provides hope and opportunity for our kids.

BOYS & GIRLS CLUBS OF THE BOWLING GREEN AREA

THE MISSION

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, and responsible citizens.

The world is complicated. Helping kids is simple.

It's no secret that things are pretty tough in the world right now. Today's kids are navigating complicated issues.

- They are struggling to recover academically from a global pandemic that derailed their education.
- They are dealing with systemic barriers and immediate needs, such as poverty and hunger, in their communities every day.
- They are constantly exposed to pressures from social media.
- They are reporting increases in anxiety, depression and suicidal ideation.
- Now more than ever, it's the simple things that mean the world to kids — a trusted adult to say, "I believe in you," three dependable meals a day, a safe place to go after school.

POVERTY LEVEL

Today's young people are tomorrow's leaders, innovators and problem solvers. But too many of our kids don't have a safe place to go after school, aren't sure where their next meal will come from, and often don't have the support they need to prepare for college or a career.

Just think of the difference you can make.

Boys & Girls Clubs of the Bowling Green Area gives children in this community the meals, mentors, and meaningful life experiences they need most right now so they can become the leaders we're counting on to create a better future. After all, they're the only next generation we've got.

This year, let's give kids the simple things to make their world a little less complicated.
